

SANYA VIRANI MD, MPH

"I am deeply humbled to be nominated for the **RFM Trustee Elect** position this year. For the past two years, it has been my privilege to serve as a member of the Assembly Committee of Resident-Fellow Members (ACORF), representing RFMs in New York, advocating at the APA's national-level meetings for appropriate supervision standards and better leadership training. I have also been organizing educational events for RFMs in NY to network and learn. I am so excited at the prospect of being the voice for RFMs to the APA, nationally and on an executive level, to influence policy and decision-making. Please vote for me – your every vote counts!"
